

EASTER MESSAGE SERIES

**Fifth Sunday of Easter
May 2, 2021
Worksheet #5**

Do we have the joy, delight, jubilation, triumph, happiness, glee, exhilaration, ebullience, exuberance, euphoria, elation, bliss, ecstasy, felicity, enjoyment, pleasure, and thrill of Easter? In other words: Does the Resurrection matter?

How did you practice joy this past week?

How do you need pruning to bear more fruit in your life?

This week's practice: exulting in God's Praise.
