

***Jesus looked up to heaven and said, "I have glorified you on earth, having accomplished the work which you gave me to do."
John 17:4***

Like Jesus we can accomplish all God has given us to do. The secret is having a clear sense of the priorities for our life. As we begin our journey to clarify our priorities, take a moment to rank your order of priorities. Rank what is most important to you on a scale of 1-10.

- _____ Work/Career
- _____ Family
- _____ Faith
- _____ Finances
- _____ Physical Health
- _____ Emotional Health
- _____ Hobbies
- _____ Friends
- _____ Learning Education
- _____ House and Chores

For further reflection:

1. Would those closest to you agree that those are your priorities?
2. It is said the best way to know our priorities is to look at our calendar and bank statement. Do they align with your list of priorities?
