

EASTER MESSAGE SERIES

Second Sunday of Easter

April 18, 2021

Worksheet #3

Do we have the joy, delight, jubilation, triumph, happiness, glee, exhilaration, ebullience, exuberance, euphoria, elation, bliss, ecstasy, felicity, enjoyment, pleasure, and thrill of Easter? In other words: Does the Resurrection matter?

Again and again Jesus says: “Do not be afraid” and “Peace be with you.” What fears do we entertain that interfere with the joy and peace God desires for us?

After the resurrection Peter accused the people of participating in the death of Jesus. However, he also offered them hope: he told them to repent and have their sins wiped away. Do our sins prevent us from entering more fully into the joy of Jesus’ resurrection?
