

## Scripture Verses for Life Plan

Set aside 30 to 45 minutes to identify verses that you can put in your life accounts. Below are some verses to help you get started but don't let them limit you. If a particular verse strikes you, you might want to read it in the larger context. Then write down the verse in the account on the worksheet provided or in a journal or other document. Feel free to add other inspiring quotes that are not from Scripture to those accounts.
